

-
- All weapons must be treated as if they are always loaded, (no live ammunition to include spare magazine ammunition, is ever allowed inside the SIMTEK house.
 - Never let the muzzle of a weapon point at anything you are not willing to destroy.
 - Keep your finger off the trigger and out of the trigger guard until the sights are on the target and you are prepared to shoot.
 - Always be certain of the target and beyond.
 - SIMTEK House and Shoot House may NOT be scheduled by an agency on the same day.
 - There will be a minimum of 2 staff of a Range Officer and Safety Officer, with the duty to provide supervisory oversight any time the SIMTEK house is being used,
 - All participants will be checked for live ammunition by the Safety Officer before entering and re-checked if they exit during training..
 - At minimum one SIMTEK House instructor must be present and have attended a SIMTEK House Orientation, HRLETF Shoot House Instructor Training or outside certification may be accepted.
 - The gate will be closed prior to training commencing to restrict access.
 - Personal protective equipment is **REQUIRED**.
 - One-meter rule remains in effect, never engage a target that is within 1 meter of a teammate or which is within 1 meter of your gun-target line.
 - Before conducting paint or dry fire drills, all gear will be inspected for live ammunition.
 - Announce yourself when making administrative moves in and out of the building as “coming in”, “coming out”.
 - Announce “going hot” before training commences in the SIMTEK House to ensure that all non-participants are out of the training facility. If in doubt, immediately cease training until certain.
 - Instructors must always be in control of the situation, if it is moving too fast, stop the training until you have regained control and it is safe to continue.
 - All targets must be placed on the frame/backers provided, do not staple or affix to walls.
 - Prior to a team making entry, the safety officer should make one last walk through to ensure there is no one present and that all targets are still in the proper location.
 - No loitering near doors or windows during training.
 - Shooters must account for every shot fired.
 - SIMTEK House must be cleaned before leaving and report any damage.
 - **Users must fill out SIMTEK Training House check list before and after using the facility.**
